Hi David,

And I am just now getting this email:) And the one you sent 7/8 asking to talk the next day.......Do you still want to talk?

Thanks and have a nice evening.

Diana

Hi David,

When does DESAC meet?

We have a conference call with the States next Wednesday and I'd like to give them an update.

Thanks, Diana

Thank you, Diana, I will put this in front of the DE SAC to recommend.

At first look, Grapefruit looks really old.

Let me get a recommendation though.

David

| Hi David,                                                                                                                                                                                                                                                     |
| We need a replacement commodity for sweet corn in October 2015. At the April 2015 meeting, I mentioned sweet potatoes (last tested in September 2010) as a top contender, as a rotational (not brand new) commodity. Below are other possibilities. Thoughts? |
| Thanks,                                                                                                                                                                                                                                                       |
